This form serves as a "Notice of Non-Compliance" pursuant to section 120.695, Florida Statutes. Items marked as "out" violate one or more of the requirements of Chapter 64E-11, the Florida Administrative Code or Chapter 381.0072, Florida Statutes. Violations must be corrected within the time period indicated above. Continued operation of this facility without making these corrections is a violation. Failure to correct violations in the time frame specified may result in enforcement action being initiated by the Department of Health.

Violations Comments

Violation #48. Ware washing: installed, maintained, & used; test strips
At time of inspection kitchen is using Chlorine sanitizer. Facility has the incorrect test strips and can not verify the proper concentration of chlorine. Inspector has left a few test strips to use at the moment. Facility will need to obtain the correct test strips by next inspection.
CODE REFERENCE: 64E-11.003(4). Warewashing facilities must be approved, available, maintained, effective, and used for cleaning and sanitizing food-contact surfaces and equipment. Test strips are available and used to verify the solution is at a concentration necessary to achieve sanitization.
