Accelerated Course Offerings

- Advanced Placement
- Honors
- Dual Enrollment

Accelerated Course Offerings

Advanced Placement

- Student can earn college credit
- Standardized Test, written by College Board
- Not required to submit test scores on college app
- Colleges will award credit differently
- Contributes to a student's weighted GPA

Dual Enrollment

- Student will earn college credit
- Typically adds less competitive edge compared to AP
- Will be required to submit transcript with college application
- Out of state colleges may honor credit differently
- Contributes to a student's weighted GPA
