The purpose of the JXC after school club program is to enhance our curriculum and enrich student's educational experience. Our club offerings give our students an opportunity to practice the Pillars of Virtue in various settings and connect with peers who have similar interests. Students will learn new skills and engage in joyful learning experiences outside of the classroom. All clubs have a connection to or are an extension of our school's classical curriculum and are approved by the school's founder, board and administration. All clubs are optional.

Please email Director of Student Life, Courtney Hughes (chughes@jacksonvilleclassical.org), with any questions.
