

HAYES HAVENER

HEAD CHEERLEADING COACH

Hayes Havener serves as the Head Cheerleading Coach and brings a strong passion for athletics and student development to the program. She cheered for eight years throughout middle and high school, competing on both JV and Varsity squads. During that time, her team consistently earned first-place finishes in cheer, home pom, and extreme routine competitions. She was also recognized as an ASIA and UCA All-Star cheerleader, highlighting her dedication and skill in the sport.

From a young age, Hayes has been involved in athletics, including dance, track, basketball, softball, and cheerleading. She attended the University of Mississippi, where she majored in Psychology with a minor in Math, and later attended Jacksonville University to earn her Bachelor's degree in Nursing. Her lifelong passion for health, fitness, and overall wellness continues to influence both her personal and professional life.

In addition to coaching, Hayes is the owner of Pure Barre Riverside, where she has combined her love for athletics and fitness into building a strong, supportive community. What started as a passion for fitness has grown into a space where she helps others build strength, confidence, and discipline—values she also brings into her cheer program every day.

Hayes believes that athletics play a vital role in shaping students, helping them build confidence, discipline, teamwork, and leadership skills that extend far beyond the field or court. She is dedicated to creating a positive, driven environment where every athlete can grow and succeed.

Outside of coaching, Hayes lives in Jacksonville with her husband, Ryan, and their three boys, Bradley, Grayson, and Sawyer. She is proud to be building and growing the Jacksonville Classical Academy cheer program.
