

NICK BARKER

HEAD MIDDLE SCHOOL BASKETBALL COACH

Coach Barker has more than 10 years of coaching experience across the elementary, middle school, high school, and collegiate levels. His extensive experience working with athletes at different stages of development has given him a well-rounded understanding of player development, team building, and the fundamentals of the game.

Before beginning his coaching career, Nick excelled at the HS varsity and collegiate levels. His experience as a player provides him with firsthand knowledge of the commitment, discipline, teamwork, and preparation required to succeed on and off the court.

Throughout his coaching career, Nick has remained committed to helping athletes develop their basketball skills while also emphasizing confidence, accountability, teamwork, and personal growth. He believes in creating an environment where players are challenged to improve, encouraged to compete, and taught lessons of virtue that will serve them in carrying out the mission of JXC and building lives of success.
