SUMMER READING

Kindergarten

The following books are suggested summer reading for rising Kindergarten students. We encourage all families to prioritize reading with their children over the summer and throughout the school year. Experts agree that children who read during the summer months gain reading skills while those who do not often slide backwards. Choose books from the following list or share some of your personal favorites. Children should be read to for at least 20 minutes each day.

- Madeline by Ludwig Bemelmans
- Go, Dog. Go! by P.D. Eastman
- Blueberries for Sal by Robert McCloskey
- Danny and the Dinosaur by Syd Hoff
- The Very Hungry Caterpillar by Eric Carle
- Lola Dutch by Kenneth and Sarah Jane Wright
- Curious George (series) by Margret & H.A. Rey
- Henry and Mudge (series) by Cynthia Rylant
- The Random House Book of Mother Goose by Arnold Lobel
