REGISTRATION INFORMATION

Registration Details:

- Fall club registration will begin Monday, July 20 and end Friday, August 14. You will receive an email when registration has opened. Late registrations will not be accepted.
- All Junior Jets clubs will meet once or twice per week from 3:30-4:30pm.
- The Fall session will run for 12 weeks beginning the week of August 24-28 and ending the week of November 9-13. The make-up week is scheduled for November 16-20.
- Registration information can be found online at www.jaxclassical.org/extracurriculars.
- Club fees are non-refundable.

Families enrolling in clubs led by JXC staff members may choose to pay in one or two installments.

- One Payment: The full club fee will be due at checkout.
- Two Payments: Half of the club fee will be due at checkout and the remaining balance will be automatically charged on October 1 using the original payment method.

Families enrolling in clubs led by outside organizations will register directly through the sponsoring organization. A registration link for each partner organization will be provided on the Jax Classical website and will direct you to their registration and payment process.

- Outside organizations leading clubs this fall include 904 Tennis, Soccer Shots, WIZE and The Cathedral Arts Project (CAP).
- Cathedral Arts Project (CAP) Clubs:
 - Students enrolling in CAP clubs will be registering for the entire school year (24 weeks/ 12 weeks in the Fall and 12 weeks in the Spring) as opposed to only the fall semester. You will not have to register again in the Spring.
 - There is a TWO STEP registration process for CAP clubs.
 - Step One: register for the club through the link provided.
 - StepTwo: pay the club fee separately through the link provided. There is not an option to split payment for CAP clubs, you will pay the \$300 annual fee when registering.

The purpose of the JXC after school club program is to enhance our curriculum and enrich student's educational experience. Our club offerings give our students an opportunity to practice the Pillars of Virtue in various settings and connect with peers who have similar interests. Students will learn new skills and engage in joyful learning experiences outside of the classroom. All clubs have a connection to or are an extension of our school's classical curriculum and are approved by the school's administration. All clubs are optional.

Please email Director of Student Life, Courtney Hughes, at chughes@jacksonvilleclassical.org with any questions.

MONDAY

Storybook Club (K-2nd) with Mrs. Britt | \$150 for 12 weeks

Students will enjoy a fun and engaging weekly Storytime featuring interactive read-alouds of beloved children's books. Each session brings stories to life through discussion, questions, and participation, helping students build a love of reading while strengthening listening and comprehension skills. Following each story, students will complete a creative, hands-on craft or art activity inspired by the book's theme, reinforcing important character traits such as kindness, friendship, courage, perseverance, and creativity.

Chess Club (3rd-5th) with Mr. R | \$150 for 12 weeks

The JXC Knights Chess Club aims to cultivate mental acuity, disciplined thought, and a love of classical learning through the timeless game of chess. As leaders on the board and in our school community, we commit to upholding the values of integrity, strategic insight, and respectful competition. Through practice, study, and camaraderie, we prepare not just to win games, but to rule our own minds with clarity, confidence, and virtue.

Girls Basketball Club (3rd-5th) with Coach Bentley | \$150 for 12 weeks

The Girls Basketball Club provides students with a fun, supportive environment to learn and develop fundamental basketball skills while building confidence, teamwork, and sportsmanship. Through engaging drills, skill-building activities, and friendly games, participants will improve their dribbling, passing, shooting, defense, and overall understanding of the game. Whether new to basketball or looking to sharpen their abilities, all girls are encouraged to participate, stay active, make new friends, and develop a lifelong love of the sport.

Boys Fitness Club (4th-5th) with Coach Lupisella | \$150 for 12 weeks

Boys Fitness Club is a fun and supportive space where boys come together to learn the fundamentals of fitness and healthy living. Through guided workouts, members build confidence, discipline, and physical skills. Whether they're just starting out or looking to improve, every boy is encouraged to grow stronger, grow towards who they are called to be, and enjoy the journey toward a healthier lifestyle!

TUESDAY

Art Club (K-2nd) with Ms. Gillman | \$175 for 12 weeks

Unleash your child's creativity in our K-2nd art club! Over the course of 12 weeks, young artists will explore a new artistic medium each week while building confidence, creativity, and foundational art skills. Students will experiment with drawing, painting, printmaking, collage, design, weaving, and sculpture in a fun, hands-on environment. Through each project, students will develop their artistic abilities, discover new techniques, and enjoy expressing their unique creativity.

Tennis Club (K-2nd) with 904 Tennis | \$275 for 12 weeks

The Tennis Club introduces students to the exciting game of tennis in a fun, encouraging, and active environment. Participants will learn and practice fundamental skills such as proper grip, forehand and backhand strokes, serving, volleying, footwork, and court positioning through engaging drills and games. Students will also develop coordination, sportsmanship, perseverance, and confidence while enjoying friendly competition. Whether they are picking up a racket for the first time or looking to improve their skills, all students are welcome to join and discover a lifelong love of tennis.

Art Club (3rd-5th) with Ms. Banion | \$175 for 12 weeks

A small group setting for a more immersive approach to art styles, mediums and ideas that are beyond the classroom projects. Art Club is a chance to hone artistic skills, learn techniques used by professional artists, deepen friendships with fellow students and learn some behind-the-scenes stories about Classical Education's most beloved artists from history!

Lacrosse Club (3rd-5th) with Mr. Fredette | \$150 for 12 weeks

The Lacrosse Club introduces students to one of the fastest-growing sports in the country through a fun, active, and supportive environment. Participants will learn the fundamentals of the game, including cradling, passing, catching, shooting, dodging, and defensive techniques, while building teamwork, coordination, and confidence. Through engaging drills, skill-building activities, and friendly scrimmages, students will develop a strong understanding of the sport while practicing sportsmanship, perseverance, and leadership. Whether they are new to lacrosse or have previous experience, all students are welcome to join and enjoy the excitement of the game.

CAP Musical Theater Club (3rd-5th) with Ms. Chelsye | \$300 for 24 weeks (year long club)

In partnership with the Cathedral Arts Project, the CAP Musical Theater Club is a fun and creative after-school program where students explore the exciting world of musical theater through singing, dancing, acting, and performance. Guided by experienced teaching artists, students will build confidence, develop their artistic talents, and work collaboratively as they prepare for a culminating performance.

This is a year-long club. Students who enroll are committing to participate for the entire school year, including both the fall and spring semesters. The club will meet on Tuesdays and Thursdays for 12 weeks in the fall and 12 weeks in the spring, providing students with the time and continuity needed to develop their skills and prepare for performances.

WEDNESDAY

Board Game Club (K-2nd) with Ms. Mathews | \$150 for 12 weeks

Board game club is a great way for scholars to end their school day! This club is a wonderful way to build social connect, improve mental agility, and have fun! While engaging in games, students are sharpening skills like critical thinking, negotiation, and strategic planning.

Beading Club (2nd-5th) with Ms. Ciotti | \$175 for 12 weeks

Beading club is a fun, hands-on activity where elementary students create jewelry and small crafts using colorful beads and string. Students practice fine motor skills, pattern creation, and creativity as they design bracelets, necklaces, and keychains!

Science Club (3rd-5th) with Mrs. Britt | \$175 for 12 weeks

Students in the Young Scientists Lab will engage in exciting, hands-on experiments that explore key science concepts such as chemical reactions, forces and motion, density, and even DNA. Each week, students will make predictions, conduct experiments, and reflect on their results like real scientists. Through activities like creating ice cream using chemistry, launching rockets, building bridges, and extracting DNA from strawberries, students will develop critical thinking, problem-solving skills, and a deeper understanding of how science works in the real world. The club encourages curiosity, teamwork, and creativity in a fun and structured environment.

Boys Basketball Club (3rd-5th) with Coach Helquist | \$150 for 12 weeks

The Boys Basketball Club provides students with a fun and energetic environment to develop fundamental basketball skills while building confidence, teamwork, and sportsmanship. Through engaging drills, skill-building activities, and friendly games, participants will improve their dribbling, passing, shooting, defense, and overall understanding of the game. Players will also strengthen their communication, discipline, and leadership skills while staying active and having fun. Whether they are new to basketball or looking to take their game to the next level, all boys are welcome to join and grow their love for the sport.

THURSDAY

Soccer Club (K-2nd) with Soccer Shots | \$300 for 12 weeks (can be paid monthly)

Soccer Shots is an introductory soccer program where we introduce the game of soccer to children through an enthusiastic and engaging curriculum.

Cheer Club (K-4th) with Mrs. Clements | \$250 (\$175 club fee + \$75 uniform fee) for 12 weeks

The Cheer Club gives students the opportunity to learn the fundamentals of cheerleading while building confidence, teamwork, school spirit, and pride. Participants will learn cheers, chants, motions, jumps, basic stunts, and performance skills in a fun and supportive environment. Students in K–4th grade will have the opportunity to showcase their skills through school and community performances, as well as cheer at select games and events.

Garden Club (3rd-5th) with Mrs. McLendon | \$175 for 12 weeks

The Garden Club gives students the opportunity to explore the wonders of nature while learning the fundamentals of gardening in a fun, hands-on environment. Participants will plant flowers, herbs, and vegetables, care for the school garden, and discover how plants grow through engaging activities and seasonal projects. Along the way, students will develop responsibility, patience, teamwork, and an appreciation for the environment while enjoying the rewards of nurturing living things. Whether they have a green thumb or are planting for the first time, all students are welcome to join and grow their love of gardening.

Co-ed Flag Football Club (3rd-5th) with Coach Jervey | \$150 for 12 weeks

The Co-Ed Flag Football Club gives students the opportunity to learn and enjoy the exciting game of flag football in a fun, safe, and team-oriented environment. Participants will develop fundamental skills including passing, catching, flag pulling, route running, defensive strategies, and teamwork through engaging drills, games, and friendly competitions. Students will build confidence, communication, sportsmanship, and leadership skills while staying active and having fun with their teammates. Whether they are new to football or looking to improve their skills, all students are welcome to join and experience the excitement of the game.

CAP Musical Theater Club (3rd-5th) with Ms. Chelsye | \$300 for 24 weeks (year long club)

See description on Tuesday Club information sheet.

FRIDAY

Sports + Fitness Club (K-2nd) with Ms. Smith | \$150 for 12 weeks

The Junior Jets Sports & Fitness Club is designed for our K–2nd grade students to build a love for movement, teamwork, and staying active through exciting games, sports, and fitness activities. Students will develop fundamental skills such as coordination, balance, agility, and cooperation while participating in age-appropriate activities that encourage confidence, sportsmanship, and a healthy, active lifestyle. Through fun challenges and group games, students will learn the importance of teamwork, perseverance, and having fun while being active.

Coding and Robotics Club (K-2nd) with WIZE | \$360 for 12 weeks

Young learners will build foundational technology skills through hands-on robotics and coding challenges using LEGO Robotics. Throughout the club, students will explore age-appropriate programming, engineering, computational thinking, and problem-solving while also developing creativity, communication, teamwork, perseverance, and confidence. All projects are new for this school year, providing returning and new students with fresh, engaging learning experiences.

Tennis Club (3rd-5th) with 904 Tennis | \$275 for 12 weeks

The Tennis Club introduces students to the exciting game of tennis in a fun, encouraging, and active environment. Participants will learn and practice fundamental skills such as proper grip, forehand and backhand strokes, serving, volleying, footwork, and court positioning through engaging drills and games. Students will also develop coordination, sportsmanship, perseverance, and confidence while enjoying friendly competition. Whether they are picking up a racket for the first time or looking to improve their skills, all students are welcome to join and discover a lifelong love of tennis.

Entrepreneurship + Shark Tank Club (3rd-5th) with WIZE | \$360 for 12 weeks

In this engaging, project-based club, students become young entrepreneurs as they identify real-world problems, develop creative solutions, and transform their ideas into viable business concepts. Along the way, they'll explore entrepreneurship, design thinking, branding, marketing, budgeting, and financial literacy while strengthening critical thinking, creativity, communication, collaboration, and leadership skills. Students may also digitally prototype their products and business ideas using age-appropriate technology and design tools. The semester culminates in an exciting "Shark Tank"-style pitch competition where students present their businesses, practice persuasive communication, and build confidence in public speaking.
