

DAMIEN JACOBS

TRACK + FIELD COACH - THROWS

Coach Damien Jacobs brings former NFL and collegiate football experience to his coaching career, combining high-level playing knowledge with a passion for developing disciplined, tough, and fundamentally sound athletes.

Coach Jacobs began his football journey at H.L. Bourgeois High School, where he played Defensive Tackle, before continuing his career at the University of Florida. He went on to play Defensive Tackle with the Buffalo Bills, gaining experience at the professional level. His background as a former collegiate and NFL player provides him with valuable expertise in defensive line technique, physical preparation, discipline, and the demands of competing at a high level.

Coach Jacobs currently serves as the Defensive Line Coach at Cornerstone Classical Academy and previously served as the Defensive Line Coach at Andrew Jackson High School. Through his coaching, he emphasizes hard work and toughness, helping athletes improve their technique, develop confidence, and understand the commitment required to succeed in football.

His coaching philosophy is built around preparation, accountability, physicality, and consistent effort. Coach Jacobs strives to use his experience as a former NFL and college football player to help defensive linemen reach their potential, develop strong fundamentals, and build the character needed to succeed both on and off the field.

In addition to football, Coach Jacobs serves as a Track and Field Coach at Jacksonville Classical Academy, where he coaches shot put.

With a foundation rooted in high-level playing experience and coaching, Coach Damien Jacobs is committed to developing athletes through hard work, toughness, and a relentless pursuit of improvement.
