## Student Led Club Application

At Jacksonville Classical Academy, we recognize the value of extracurricular activities as part of a well-rounded and rich education. Student-led clubs will not only enhance our educational environment but also provide a platform for students to explore their interests, develop leadership skills, and forge lasting connections with their peers. Student-led clubs will meet during school hours. Each club will be facilitated by student leader or co-leaders who will coordinate meetings, activities, and events with the guidance and support of a faculty advisor.

### Requirements for Club Leaders:

- Maintain an A/B grade average
- Maintain an "A" in behavior and conduct
